# RESIDENTIAL SELLER DISCLOSURE ADVISORY

Document updated: February 2023

# WHEN IN DOUBT – DISCLOSE!

Arizona law <u>requires</u> the seller to disclose material (important) facts about the property, even if you are not asked by the buyer or a real estate agent. These disclosure obligations remain even if you and the buyer agree that no Seller's Property Disclosure Statement ("SPDS") will be provided.

The SPDS is designed to assist you, the seller, in making these legally required disclosures and to avoid inadvertent nondisclosures of material facts. To satisfy your disclosure obligations and protect yourself against alleged nondisclosure, you should complete the SPDS by answering all questions as truthfully and as thoroughly as possible. Attach copies of any available invoices, receipts, permits, warranties, inspection reports, and leases, to ensure that you are disclosing accurate information. Use the blank lines to explain your answers. If you do not have the personal knowledge to answer a question, it is important not to guess – use the blank lines to explain the situation.

If the buyer asks you about an aspect of the property, you have a duty to disclose the information, even if you do not consider the information material.\* You also have a legal duty to disclose facts when disclosure is necessary to prevent a previous statement from being misleading or misrepresented: for example, if something changes.

If you do not make the legally required disclosures, you may be subject to civil liability. Under certain circumstances, nondisclosure of a fact is the same as saying that the fact does not exist. Therefore, nondisclosure may be given the same legal effect as fraud.

Note: These disclosures are warranties that survive closing.

If you are using the Arizona Association of REALTORS® ("AAR") Residential Resale Real Estate Purchase Contract, the seller is required to deliver "a completed AAR Residential SPDS form to the Buyer within three (3) days after Contract acceptance." If the Seller does not provide the SPDS as the Contract requires, the Seller is potentially in breach of the Contract, thereby enabling the Buyer to cancel the transaction and receive the earnest money deposit.

\* By law, sellers are not obligated to disclose that the property is or has been: (1) a site of a natural death, suicide, homicide, or any other crime classified as a felony; (2) owned or occupied by a person exposed to HIV, or diagnosed as having AIDS or any other disease not known to be transmitted through common occupancy of real estate; or (3) located in the vicinity of a sex offender. However, the law does not protect a seller who makes an intentional misrepresentation. For example, if you are asked whether there has been a death on the property and you know that there was such a death, you should not answer "no" or "I don't know." Instead you should either answer truthfully or respond that you are not legally required to answer the question.

289.			NOTICE TO BUYER: Your mortgage lender [may] [will] require you to purchase flood insurance in connection
290.			with your purchase of this property. The National Flood Insurance Program provides for the availability of flood
291. 292.			insurance and establishes flood insurance policy premiums based on the risk of flooding in the area where properties are located. Recent changes to federal law (The Biggert-Waters Flood Insurance Reform Act of 2012
292. 293.			and the Homeowner Flood Insurance Affordability Act of 2014, in particular) will result in changes to flood
294.			insurance premiums that are likely to be higher, and in the future may be substantially higher, than premiums
295.			paid for flood insurance prior to or at the time of sale of the property. As a result, purchasers of property should
296.			not rely on the premiums paid for flood insurance on this property previously as an indication of the premiums
297.			that will apply after completion of the purchase. In considering purchase of this property you should consult
298.			with one or more carriers of flood insurance for a better understanding of flood insurance coverage, current and
299.			anticipated future flood insurance premiums, whether the prior owner's policy may

301.			insurance for the property. You may also wish to contact the Federal Emergency Management Agency (FEMA)
302.			for more information about flood insurance as it relates to this property.
