DETAILS

Property Manager says it practically runs itself. There are 6 units collecting rent with laundry room income in place. In 85020 the prices are climbing, with a great rental market. This is a non-conforming property. Easy to insure. Newer roof, master metered, and easy to maintain landscaping. See the Doc tab for current financials and rent roll along with much more. This is a drive by only property but feel free to walk the property. Buyer to verify all facts and figures.

The zoning district in which the property is located determines what uses are allowed on the parcel. A situation where the current use of that property or building(s) does not conform with the zoning, but has been an ongoing use (without an interruption of 12 months or more) since before the zoning regulations took effect on May 29, 1969, may qualify as a legal nonconforming use.
