ARTICLE III THE ASSOCIATION; RIGHTS AND DUTIES, MEMBERSHIP AND VOTING RIGHTS

Section 3.1. Rights, Powers and Duties. The Association shall be a non-profit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Project Documents together with such rights, powers and duties as may be reasonably necessary to effectuate the objectives and purposes of the Association as set forth in the Project Documents. Unless the Project Documents specifically require a vote of the Members, approvals or actions to be given or taken by the Association shall be valid if given or taken by the Board.

Section 3.2. Board of Directors and Officers. The affairs of the Association shall be conducted by a Board of Directors and such officers and committees as the Board may elect or appoint in accordance with the Articles and the Bylaws.

Section 3.3. Association Rules. The Board may, from time to time and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations. The Association Rules may restrict and govern the use of any area by any Owner, by the family of such Owner, or by any invitee, licensee or lessee of such Owner except that the Association Rules may not discriminate among Owners and shall not be inconsistent with this Declaration, the Articles or Bylaws. Upon adoption, the Association Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration.

Section 3.4. Architectural Committee. The Board shall establish an Architectural Committee consisting of not less than three (3) members to regulate the external design, appearance and use of the Property and to perform such other functions and duties as may be imposed upon it by this Declaration, the Bylaws or the Board. So long as any Co-Declarant owns any Lot, the Co-Declarants then owning Lots shall have the right to appoint and remove members of the Architectural Committee by majority vote of the Co-Declarants based on the number of lots then owned by each Co-Declarant. At such time as no Co-Declarant owns any Lot, the Board shall have the right to appoint and remove members of the Architectural Committee.

Section 3.5. Identity of Members. ^{Unofficial Document} Membership in the Association shall be limited to Owners of Lots. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease.

Section 3.6. Transfer of Membership. Membership in the Association shall be appurtenant to each Lot and a membership in the Association shall not be transferred, pledged or alienated in any way, except upon the sale of a Lot and then only to such Purchaser, or by intestate succession, testamentary disposition, foreclosure of mortgage of record or other legal process. Any attempt to make a prohibited transfer shall be void and shall not be reflected upon the books and records of the Association. The Association shall have the right to charge a reasonable transfer fee to the new owner in connection with any transfer of a Lot.

20030984966

converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (i) When seventy-five percent (75%) of the Lots have been conveyed to Purchasers; or
 - (ii) Seven (7) years after the conveyance of the first Lot to a Purchaser;
- or
- (iii) When all of the Co-Declarants notify the Association in writing that they relinquish their Class B membership.

Section 3.8. Joint Ownership. When more than one person is the Owner of any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one ballot be cast with respect to any Lot. The vote or votes for each such Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner casts a ballot representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Lot. In the event more than one ballot is cast for a particular Lot, none of said votes shall be counted and said votes shall be deemed void.

Section 3.9. Corporate Ownership. Unofficial Document In the event any Lot is owned by a corporation, partnership or other association, the corporation, partnership or association shall be a Member and shall designate in writing at the time of acquisition of the Lot an individual who shall have the power to vote said membership, and in the absence of such designation and until such designation is made, the president, general partner or chief executive officer of such corporation, partnership or association shall have the power to vote the membership.

Section 3.10. Suspension of Voting Rights. In the event any Owner is in arrears in the payment of any Assessments or other amounts due under any of the provisions of the Project Documents for a period of fifteen (15) days, said Owner's right to vote as a Member of the Association shall be suspended for a period not to exceed sixty (60) days for each infraction of the Project Documents, and shall remain suspended until all payments, including accrued interest and attorneys' fees, are brought current.

Section 3.11. Termination of Contracts and Leases. A contract for any of the following, if entered into by the Association prior to the expiration of the Class B membership in the Association, may be terminated by the Association at any time after the expiration of the Class B membership on thirty (30) days written notice to the other party:

- (i) Any management contract, employment contract or lease of recreational or parking areas or facilities.

(ii) Any contract or lease, including franchises and licenses, to which any of the Co-Declarants or any affiliate of any of the Co-Declarants is a party.

Section 3.12. Fines. The Association, acting through its Board of Directors, shall have the right to adopt a schedule of fines for violation of any provision of the Project Documents by any Owner or such Owner's licensees and invitees. No fine shall be imposed without first providing a written warning to the Owner describing the violation and stating that failure to stop the violation within no less than ten (10) days or another recurrence of the same violation within six (6) months of the original violation shall make the Owner subject to imposition of a fine. All fines shall constitute a lien on all lots owned by the Owner and shall be paid within thirty (30) days following imposition. Failure to pay any fine shall subject the Owner to the same potential penalties and enforcement as failure to pay any assessments under Article IV.

Section 3.13 Limitation on Claims. No claim arising against any of the Co-Declarants or any officer, director, employee, partner, member, shareholder or other representative of any of the Co-Declarants, including without limitation any claims arising from any Co-Declarant's exercise of any right arising from such Co-Declarant's Class B membership or arising from any action or inaction by any person in such person's capacity as an officer or director of the Association, shall be asserted by the Association more than six months following the later of termination of the Class B membership or the termination of such person's service as an officer or director of the Association. All claims that are not filed in a proper court within the foregoing time period shall be deemed forever waived and released. This section shall not be subject to amendment without the written approval of all of the Co-Declarants.

Unofficial Document

Section 3.14 Personal Liability. No director or officer of the Association, no member of the Architectural Committee or of any committee of the Association, and no other person acting on behalf of the Board shall be personally liable to any Member, or to any other Person for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence in the discharge of such person's duties and responsibilities under the Project Documents provided such person acted in good faith.

Section 3.15 Conveyance or Encumbrance of Common Area. The Common Area shall not be mortgaged or conveyed without the prior written consent or affirmative vote of the Co-Declarants and the affirmative vote or written consent of the Owners representing at least two-thirds (2/3) of the votes entitled to be cast by Class A members of the Association. The Association may grant permits, licenses and easements on, over, under and through the Common Area for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance and operation of the Property.

ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 4.1. Creation of the Lien and Personal Obligation of Assessments. The Co-Declarants, for each Lot owned by them, hereby covenant, and each Owner of a Lot, by becoming the Owner thereof, whether or not it is expressed in the deed or other instrument by which the Owner acquired ownership of the Lot, is deemed to covenant and agree to pay to the

Association annual assessments, special assessments, and any applicable neighborhood assessments. The annual, special, and neighborhood assessments, together, with interest, costs and reasonable attorneys fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the Owner of such Lot at the time when the Assessment became due. The personal obligation for delinquent Assessments shall not pass to the Owner's successors in title unless expressly assumed by them.

Section 4.2. Purpose of the Assessments. The Assessments levied by the Association shall be used exclusively for (i) the upkeep, maintenance and improvement of the Common Area, (ii) maintenance, repair, replacement, and operation of rights-of-way and easements within or immediately adjacent to the Project (e.g. landscaping and sidewalks within the right-of-way of adjoining streets) to the extent that such actions are required by government entities or deemed appropriate by the Association's Board of Directors, (iii) promoting the recreation, health, safety and welfare of the Owners and residents of Lots within the Property, and (iv) the performance and exercise by the Association of its rights, duties and obligations under the Project Documents. Notwithstanding the foregoing, neighborhood assessments shall be used only for the benefit of the neighborhood paying such assessments, shall not be used for any purpose that is covered by annual assessments or special assessments in other areas of the Property, and shall be accounted for separately from annual and special assessments.

Section 4.3. Annual Assessment.

Unofficial Document

(A) For each fiscal year of the Association commencing upon the first to occur of (i) transfer to and acceptance for maintenance by the Association of any Common Area or (ii) conveyance of a Lot to a Purchaser, the Board shall adopt a budget for the Association containing an estimate of the total amount of funds which the Board believes to be required during the ensuing fiscal year to pay all Common Expenses including, but not limited to (i) the amount required to pay the cost of maintenance, management, operation, repair and replacement of the Common Area and those parts of the Lots, if any, which the Association has the responsibility of maintaining, repairing or replacing under the Project Documents, (ii) the cost of wages, materials, insurance premiums, services, supplies and maintenance or repair of the Common Area and for the general operation and administration of the Association, (iii) the amount required to render to Owners all services required to be rendered by the Association under the Project Documents, and (iv) such amounts as may be necessary to provide general operating reserves and reserves for contingencies and replacement.

(B) For each fiscal year of the Association commencing upon the first to occur of (i) transfer to and acceptance for maintenance by the Association of any Common Area or (ii) conveyance of a Lot to a Purchaser, the total amount of the estimated Common Expenses shall be assessed by the Board. Except to the extent that this Declaration expressly provides for reduced assessments to Co-Declarants and for neighborhood assessments only on Lots benefiting from such neighborhood assessments, all assessments shall be equal on all Lots.

(C) An Owner other than a Co-Declarant shall be obligated to pay only twenty-five percent (25%) of the annual assessment attributable to its Lot until the earliest of (i) the date on which a certificate of occupancy or similar permit is issued by the appropriate governmental authority, (ii) six (6) months from the date on which a building permit is issued by the appropriate governmental authority for construction of a residential unit on the Lot, or (iii) two (2) years after the Lot was conveyed to the Owner by the Co-Declarant. If a Lot ceases to qualify for the reduced twenty-five percent (25%) rate of assessment during the period to which an annual assessment is attributable, the annual assessment shall be prorated between the applicable rates on the basis of the number of days in the assessment period that the Lot qualified for each rate.

(D) The Co-Declarants shall be exempt from payment of annual assessments on Lots owned by the Co-Declarants. If a Lot ceases to be owned by Co-Declarants and therefore becomes subject to assessment during the period to which an annual assessment is attributable, the assessment shall be prorated based on the basis of the number of days in the assessment period that the Lot is not owned by Co-Declarants.

(E) The Co-Declarants and the Owners paying reduced assessments pursuant to section 4.3(C) shall pay to the Association any amounts which, in addition to the annual assessments levied by the Association, may be required by the Association in order for the Association to fully perform its duties and obligations under the Project Documents, including the obligation to maintain adequate reserve accounts. Notwithstanding the foregoing, neither Co-Declarants nor any such other Owners shall have any obligation to pay any amounts during any calendar year in excess of the amount that Co-Declarants or such Owner would have paid if it were paying full assessments. Any payments made by the Co-Declarants or such Owners to fund the estimated amounts due under this section in excess of Co-Declarants' and such Owners' actual funding obligation under this section shall, at Co-Declarants's option (determined by the vote of Co-Declarants holding a majority of Lots owned by all Co-Declarants), be credited toward payment of Co-Declarants' and such Owners' next due assessment payment or refunded to the payors thereof, with such credit or payment allocated to Co-Declarants and such Owners in proportion to the respective Lots owned by each of them until such Owners have recovered all of their excess payments and with any remaining credit or payment allocated among the Co-Declarants in proportion to their respective payments hereunder; for example, if Co-Declarants and such Owners pay \$25,000 to the Association in the middle of a calendar year to fund an estimated budget shortfall of the Association and the actual shortfall as of the end of the year would have been only \$20,000 in the absence of such payment, Co-Declarants and such Owners shall be entitled to a \$5,000 credit toward their next due assessment payment or a refund of \$5,000. Any amounts payable by Co-Declarants and Owners under this section shall be paid solely by Co-Declarants until such time as Co-Declarants have paid assessments on Lots owned by Co-Declarants at a rate of 25% of the annual assessment (with such payment obligation allocated among the Co-Declarants on the basis of the respective number of lots owned by the Co-Declarants as of the date on which the Board determines that payment is necessary under this Section 4.3(E)) and thereafter such additional funds shall be paid by Co-Declarants and Owners paying reduced assessments, with such payment responsibility allocated among Co-Declarants and such Owners paying reduced assessments on the basis of the respective number of Lots

owned by Co-Declarants and such Owners as of the date on which the Board determines that payment is necessary under this section 4.3(E).

(F) The Board shall give notice of the annual assessment to each Owner at least thirty (30) days prior to the beginning of each fiscal year of the Association, but the failure to give such notice shall not affect the validity of the annual assessment established by the Board nor relieve any Owner from its obligation to pay the annual assessment.

(G) If the Board determines during any fiscal year that its funds budgeted or available for that fiscal year are, or will, become inadequate to meet all expenses of the Association for any reason, including, without limitation, nonpayment of Assessments by Members, it may increase the annual assessment for that fiscal year and the revised annual assessment shall commence on the date designated by the Board except that no increase in the annual assessment for any fiscal year which would result in the annual assessment exceeding the maximum annual assessment for such fiscal year shall become effective until approved by Members casting at least two-thirds (2/3) of the votes cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

(H) The maximum annual assessment for each fiscal year of the Association shall be as follows:

(i) Until January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum annual assessment for each Lot shall be \$480.00 (\$40.00 per month).

Unofficial Document

(ii) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum annual assessment will automatically increase during each fiscal year of the Association by the greater of (a) 10% of the maximum annual assessment for the immediately preceding fiscal year or (b) an amount based upon the percentage increase in the Consumer Price Index for All Urban Consumers (All Items) U.S. Town Average, published by the United States Department of Labor, Bureau of Labor Statistics (1982 - 84 = 100) (the "Consumer Price Index"), which amount shall be computed in the last month of each fiscal year in accordance with following formula:

X = Consumer Price Index for September of the calendar year two years preceding the calendar year for which the maximum annual assessment is to be determined.

Y = Consumer Price Index for September of the calendar year one year preceding the calendar year for which the maximum annual assessment is to be determined.

$\frac{Y-X}{X}$ multiplied by the maximum annual assessment for the calendar year immediately preceding the year for which the maximum annual

assessment is to be determined equals the amount by which the maximum annual assessment may be increased.

In the event the Consumer Price Index ceases to be published, then the index which shall be used for computing the increase in the maximum annual assessment permitted under this Subsection shall be the substitute recommended by the United States government for the Consumer Price Index or, in the event no such successor index is recommended by the United States government, the index selected by the Board.

(iii) The increase in the maximum annual assessment pursuant to this Subsection (H) shall be calculated without considering the portion of the immediately preceding annual assessment attributable to the payment of utility charges or insurance premiums by the Association. In addition to the increase in the maximum annual assessment pursuant to Subsection (H)(ii) above, the maximum annual assessment shall include an increase for each fiscal year from and after January 1 of the year immediately following the conveyance of the first Lot to a purchaser in an amount equal to the amount in the Association budget for the prior fiscal year applicable to utility charges and insurance premiums, multiplied by the percentage increase in utility charges or the percentage increase in insurance premiums during the prior fiscal year, whichever is greater.

(iv) Notwithstanding the foregoing, the annual assessments shall not be increased more than twenty percent (20%) for one fiscal year to the next fiscal year without the approval of Owners owning a majority of the Lots.

Unofficial Document

Section 4.4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any fiscal year, a special assessment applicable to that fiscal year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of the Common Area, including fixtures and personal Property related thereto, or for any other lawful Association purpose, provided that any such special assessment shall have the assent of Members having at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose. Special assessments shall be levied at a uniform rate for all Lots.

Section 4.5. Notice and Quorum for Any Action Authorized Under Sections 4.3 or 4.4. Written notice of any meeting called for the purpose of obtaining the consent of the Members for any action for which the consent of the Members is required under Sections 4.3 and 4.4 shall be sent to all Members no less than thirty (30) days nor more than fifty (50) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of Members shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 4.6. Date of Commencement of Annual Assessments; Due Dates. The annual assessments shall commence as to all Lots on the first day of the month following the conveyance of the first Lot to a Purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year of the Association. The Board may require that the annual assessment be paid in installments and in such event the Board shall establish the due dates for each installment. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association or the Association's designated agent setting forth whether the Assessments on a specified Lot have been paid.

Section 4.7. Effect of Non-payment of Assessments; Remedies of the Association.

(A) Any Assessment, or any installment of an Assessment, not paid within thirty (30) days after the Assessment, or the installment of the Assessment, first became due shall have added to such Assessment or installment, the greater of (i) interest from the due date at the rate of ten percent (10%) per annum, or (ii) a late charge of fifteen dollars (\$15.00). Any amounts paid by a Member shall be applied first to unpaid principal and then to late charges or interest. Any Assessment, or any installment of an Assessment, which is delinquent shall become a continuing lien on the Lot against which such Assessment was made. The Assessment Lien may be placed of record by the recordation of a "Notice of Claim of Lien" which shall set forth (i) the name of the delinquent Owner as shown on the records of the Association, (ii) the legal description and/or street address of the Lot against which the claim of lien is made, (iii) the amount claimed as of the date of the recording of the notice including late charges, interest, lien recording fees, reasonable collection costs aUnofficial Documentable attorneys' fees, and (iv) the name and address of the Association.

(B) The Assessment Lien shall have priority over all liens or claims created subsequent to the recordation of this Declaration except for (i) tax liens for real Property taxes on the Lot, (ii) assessments on any Lot in favor of any municipal or other governmental body and (iii) the lien of any First Mortgage.

(C) Before recording a Notice of Claim of Lien against any Lot the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments together with late charges, interest, reasonable collection costs and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for a demand or claim of lien but any number of defaults may be included within a single demand or claim of lien. If the delinquency is not paid within ten (10) days after delivery of the demand, the Association may proceed with recording a Notice of Claim of Lien against the Lot of the defaulting Owner. The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, late charges, interest, lien recording fees, reasonable collection costs and reasonable attorneys' fees have been paid in full whether or not all of such amounts are set forth in the Notice of Claim of Lien.

(D) The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with late charges, interest, lien recording fees, reasonable collection costs, reasonable attorneys' fees and any other sums due to the Association in any

00000000

manner allowed by law including, but not limited to, (i) bringing an action at law against the Owner personally obligated to pay the delinquent Assessment Lien securing the delinquent Assessments or (ii) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in at any foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Lots purchased at such sale.

Section 4.8. Subordination of the Lien to Mortgages. The Assessment Lien shall be subordinate to the lien of any First Mortgage. The sale or transfer of any Lot shall not affect the Assessment Lien except that the sale or transfer of a Lot pursuant to judicial or nonjudicial foreclosure of a first mortgage or any bona fide, good faith proceeding in lieu thereof shall extinguish the Assessment Lien as to payments which became due prior to the sale or transfer. No sale or transfer shall relieve the Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

Section 4.9. Exemption of Owner. No Owner of a Lot may exempt himself from liability for Assessments levied against his Lot or for other amounts, which he may owe to the Association under the Project Documents by waiver and non-use of any of the Common Area and facilities or by the abandonment of his Lot.

Section 4.10. Maintenance of Reserve Fund. Out of the annual assessments and other income, the Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Area.

Unofficial Document

Section 4.11. No Offsets. All Assessments and other amounts payable to the Association shall be payable in accordance with the provisions of the Project Documents, and no offsets against such Assessments or other amounts shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in the Project Documents.

Section 4.12. Transfer Fee. Each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board.

Section 4.13. Reserve Account Funding. In addition to the transfer fee described in section 4.12, the first purchaser of a Lot following construction of a residence on such Lot shall pay to the Association at the time of the purchase an amount equal to two (2) months worth of annual assessments. All amounts paid pursuant to this Section shall be paid by the Association into a reserve account to fund future major repairs and replacements. Co-Declarants and the Association may take such payments into account when determining the amounts to be funded to reserves from other Association funds. Nothing in this Section shall be construed as prohibiting or mandating the Association making additional payments into reserve accounts from other Association funds. Payments made pursuant to this Section do not apply toward payment of annual assessments and constitute a separate obligation.

Section 4.14 Neighborhood Assessments. The Board of Directors shall have the right to impose neighborhood assessments against Lots in any specific area of the Property in order to provide for the repair, replacement, operation and maintenance of Common Areas within such area that are different from or in addition to the types of Common Areas in the balance of the Property and that are designed to benefit less than all of the Property (e.g. private streets, separate entryways or gates, enhanced landscaping, community centers, swimming pools). Any such determination by the Board shall be made in a writing specifying the purposes of the neighborhood assessment and the Lots subject thereto. Any such determination by the Board may also include an additional imposition on such Lots pursuant to section 4.13 in order to fund a reserve account for the specific improvements intended to be maintained by the neighborhood assessment. Notwithstanding the foregoing, no neighborhood assessment shall be commenced without the consent of the then Owners of the affected portion of the Property, but any Owner failing to provide such consent shall have no right to force the Association to accept for ownership and maintenance by the Association the types of Common Areas described in this Section. The Co-Declarants acknowledge that none of the Parcels are currently intended to include the types of Common Areas described in this Section and that this Section is included only to cover the possibility of future changes in the development plan for the Property.

Section 4.15 Co-Declarants Audit Right. Following the termination of the Class B membership and so long as any Co-Declarant owns any lot, any Co-Declarant shall have the right to audit the books and records of the Association.

Section 4.16. Sanitation and Refuse Collection. The Association shall have the right, at its discretion and from time to time, to ~~negotiate~~ Unofficial Document and execute one or more contracts with a sanitation provider (or providers) of its choice, for the collection and removal of garbage, trash, recycling materials, and other refuse within the Property and Project. Notwithstanding anything to the contrary herein, by virtue of each Owner's membership in the Association, each Owner of a Lot shall be obligated to use the sanitation provider(s) selected by the Association for the collection and removal of garbage, trash, recycling materials, and refuse from such Owner's Lot. Unless otherwise directed by the Association, each Owner shall contract directly with the selected sanitation provider(s) for its services and shall pay the cost of such services directly to the sanitation provider(s).

Section 4.17 Special Assessment for Cable Service: In addition to the annual assessments included within Section IV, the Association may, upon the unanimous approval of all Co-Declarants who own a Lot, include in the annual assessment or levy in any assessment year a special assessment applicable to that year (and the same shall be charged and collected on a monthly, quarterly or yearly basis as determined by the Board) for the exclusive purpose of defraying, in whole or in part, the cost of providing cable communication service to the Project. Each Owner acknowledges that the Project is intended to have cable communication availability and that the condition of availability may be such that each Lot must be included in the service plan. Each Owner therefore acknowledges and agrees that each Lot shall be subject to an assessment, either as part of the annual assessment or in addition to and apart from the annual and any other special assessments, for the purpose of paying each Lot's pro rata share of basic cable service provided to the Project. The assessment authorized and provided for herein shall apply only to such service as is considered "basic" and any additional services that constitute

20030984966

“upgrades” or “enhanced” services shall be subscribed for and paid by each Owner on an individual basis.

Section 4.18 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

Section 5.1. Residential Use. Except as otherwise provided herein, all lots shall be improved and used only for Single Family Residential Use. No gainful occupation, profession, trade or other commercial activity shall be conducted on any lot; provided, however, the Co-Declarants may use the lots owned by such Co-Declarant for such facilities as in their respective sole opinions may be reasonably required, convenient or incidental to the construction and sale of residential units, including, without limitation, a business office, storage areas, construction yards, signs, a model site or sites, and a display and sales office. All other signs must be approved in advance in writing by the Architectural Committee as provided above. All signs must conform to applicable municipal ordinances and other governmental requirements.

Section 5.4. Noxious and Offensive Activity. No noxious or offensive activity shall be allowed on the lots nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of each of the Owners and tenants of their respective lots and residences. Without limiting the generality of the foregoing, no speakers, horns, sirens or other sound devices, except security devices used exclusively for security purposes, shall be located or used on a lot.

(A) No truck, mobile home, travel trailer, tent trailer, trailer, camper shell, detached camper, recreational vehicle, boat trailer or other similar equipment or other motor vehicle of any kind shall be parked, kept or maintained on any Lot or on the Common Area except for (i) motor vehicles which do not exceed 222 inches in length, 75 inches in height and 84 inches in width, (ii) motor vehicles which Unofficial Document are used by any guest or invitee of any Owner or tenant and which are parked on a Lot only during such time as the guest or invitee is visiting the Owner or tenant but in no event shall such a motor vehicle be parked on a Lot for more than seven (7) days during any six (6) month period of time. No vehicle described in this subsection shall be permitted to park in the rear or side yard of any Lot so as to be Visible from Neighboring Property or Common Area.

(B) Except for emergency vehicle repairs, no automobile, motorcycle, motorbike or other motor vehicle of any kind shall be constructed, reconstructed or repaired on any Lot or the Common Area. No inoperable vehicle or vehicle which because of missing fenders, bumpers, hoods or other parts or because of lack of proper maintenance is, in the sole opinion of the Architectural Committee, unsightly or detracts from the appearance of the Project shall be stored, parked or kept on any Lot or the Common Area.

(C) Trucks, Trailers, Campers, Boats and Commercial Vehicles. No motor vehicle classed by manufacturer rating as exceeding one ton, mobile home, motor home, trailer, camper shell, detached camper, boat, boat trailer, commercial vehicle or other similar equipment or vehicle may be parked or stored on any area in the Project so as to be Visible From Neighboring Property, Common Area; provided, however, this provision shall not apply to equipment and non-commercial vehicles that are (i) pickup trucks of less than one ton capacity with camper shells not exceeding seven (7) feet in height and eighteen (18) feet in length which are parked as provided in Section 5.6 below and are used on a regular and recurring basis for transportation; (ii) trucks, trailers and campers parked in a recreational vehicle storage area

20030984966

For purposes of this section, commercial vehicles shall mean any vehicle that (i) displays the name, tradename, logo, telephone number or other identifying information of any business or (ii) otherwise bears the appearance of a commercial vehicle by reason of its normal contents (e.g. trade goods, extensive tools, ladders), as reasonably determined by the Architectural Committee. The provisions of this subsection shall not apply to vehicle parking on publicly dedicated streets, provided the vehicle is legally and physically operable and such parking is in full compliance with all applicable governmental requirements.

Section 5.6. Parking. All vehicles of Owners and of their lessees, employees, guests and invitees shall be kept in garages or residential driveways of the Owners wherever and whenever such facilities are sufficient to accommodate the number of vehicles on a lot; provided, however, this Section shall not be construed to permit the parking in the above described areas of any vehicle whose parking is otherwise prohibited by this Declaration or the parking of any inoperable vehicle. In the event the garage and driveway is insufficient for parking, temporary parking shall be allowed on the street directly adjacent to the Lot; in no event shall overnight on-street parking be allowed on any street and in no event shall an Owner or occupant park on a temporary basis on streets other than directly adjacent to such Owner's or occupant's Lot. Any expense incurred by the Association in connection with the towing of any vehicle or equipment shall be paid to the Association upon demand by the owner of the vehicle or equipment. If the vehicle or equipment towed is owned by an Owner, then the cost incurred by the Association in towing the vehicle or equipment shall be assessed against the Owner and his Lot and be payable on demand, and such cost shall be secured by the Assessment Lien.

Section 5.8. Machinery and Equipment. 00000000

Owner other than a Co-Declarant. Notwithstanding the foregoing and subject to compliance with any applicable city ordinances, a vacant lot may be split between the Owners of the lots adjacent to such lot so that each portion of such lot would be held in common ownership with another lot adjacent to that portion.

Section 5.10. Windows. Within thirty (30) days of occupancy each Owner shall install permanent suitable window treatments on all windows facing the street. No reflective materials, including, but without limitation, aluminum foil, reflective screens or glass, mirrors or similar type items, shall be installed or placed upon the outside or inside of any windows.

Section 5.11. HVAC and Solar Panels. Except as initially installed by a Co-Declarant, no heating, air conditioning, evaporative cooling or solar energy collecting unit or panels shall be placed, constructed or maintained upon any lot without the prior written approval of the Architectural Committee.

Garage doors shall be left open only as needed for ingress and egress.

Section 5.13. Installation of Landscaping.

Unofficial Document

(A) Within ninety (90) days after becoming the Owner of a Lot, the Owner shall install landscaping and irrigation improvements in compliance with the xeriscape principles and other applicable requirements set forth in the applicable municipal zoning ordinances in that portion of his Lot which is between the street(s) adjacent to his Lot and the exterior wall of his Residential Unit or any wall separating the side or back yard of the Lot from the front yard of the Lot. Any Lot that has non-solid fencing (e.g. wrought iron rather than a solid wall) on any boundary of its rear yard shall be completely landscaped and irrigated (front, rear, and side yards) by the Owner of such Lot in compliance with xeriscape principles and other applicable requirements set forth in the applicable municipal zoning ordinances within ninety (90) days of becoming the Owner of the Lot. The landscaping and irrigation improvements shall be installed in accordance with plans approved in writing by the Architectural Committee. Prior to installation of such landscaping, the Owner shall maintain the portions of such Lot required to be landscaped in a weed-free condition.

(B) If any Owner fails to landscape any portion of his Lot within the time provided for in this Section, the Association shall have the right, but not the obligation, to enter upon such Owner's Lot to install such landscaping improvements as the Association deems appropriate, and the cost of any such installation shall be paid to the Association by the Owner of the Lot, upon demand from the Association. Any amounts payable by an Owner to the Association pursuant to this Section shall be secured by the Assessment Lien, and the Association may enforce collection of such amounts in the same manner and to the same extent as provided elsewhere in this Declaration for the collection and enforcement of assessments.

(C) This Section 5.13 shall not apply to Co-Declarants or any Purchaser with respect to any Lot or any other property that has not been conveyed to an Owner with a residence already constructed thereon, except that this section 5.13 shall apply upon commencement of residential occupancy of any Lot containing a residence.

Section 5.14. Co-Declarants's Exemption. Nothing contained in this Declaration shall (a) apply to or prohibit a Co-Declarant or its duly authorized agents from erecting or maintaining or (b) be construed to prevent the erection or maintenance by a Co-Declarant or its duly authorized agents of model homes, structures, improvements or signs necessary or convenient to the construction, development, identification, or sale or lease of Lots or other Property within the Project. The Association shall take no action that would interfere with access to or use of model homes; without limitation of the foregoing, the Association shall have no right to close private streets to access by members of the public desiring access to model homes.

Section 5.15. Leasing Restrictions. Any lease or rental agreement must be in writing and shall be subject to the Declaration. All leases must be for an entire residence and lot and must have a minimum term of thirty (30) days. This Section shall not apply to model homes, offices, sales offices, or construction trailers.

Section 5.16. Animals. No animals, insects, livestock, or poultry of any kind shall be raised, bred, or kept on or within any lot or structure thereon except that dogs, cats or other common household pets (types and breeds limited to those determined to be acceptable by the Board) may be kept on or within the lots, Unofficial Document but they are not kept, bred or maintained for any commercial purpose, or in unreasonable numbers as determined by the Architectural Committee. Notwithstanding the foregoing, no animals or fowl may be kept on any lot which results in a nuisance to, which is an annoyance to, or which are obnoxious to other Owners or tenants in the vicinity. All pets, required by any law, must be kept within a fenced yard or on a leash under the control of the Owner at all times. No structure for the care, housing or confinement of any animal or fowl shall be maintained so as to be Visible from Neighboring Property.

Section 5.17. Drilling and Mining. No oil drilling, oil development operations, oil refining, quarrying, or mining operations of any kind, shall be permitted upon or in any lot nor shall oil wells, tanks, tunnels or mineral excavations or shafts be permitted on any lot. No derrick or other structure designed for use in boring for or removing water, oil, natural gas or other minerals shall be erected, maintained or permitted upon any lot.

Section 5.18. Refuse. All refuse, including without limitation all animal wastes, shall be regularly removed from the lots and shall not be allowed to accumulate thereon. Refuse containers shall be kept clean, sanitary and free of noxious odors. Refuse containers shall be maintained so as to not be Visible from Neighboring Property, except to make the same available for collection and then only for the shortest time reasonably necessary to effect such collection.

Section 5.19. Antennas and Satellite Dishes.

a. This section applies to antennas, satellite television dishes, and other devices ("Receivers"), including any poles or masts ("Masts") for such Receivers, for the transmission or reception of television or radio signals or any other form of electromagnetic radiation.

b. As of the date of recordation of this instrument, Receivers one meter or less in diameter are subject to the provisions of Title 47, Section 1.4000 of the Code of Federal Regulations ("Federal Regulations"). "Regulated Receivers" shall mean Receivers subject to Federal Regulations as such regulations may be amended or modified in the future or subject to any other applicable federal, state or local law, ordinance or regulation ("Other Laws") that would render the restrictions in this section on Unregulated Receivers (hereinafter defined) invalid or unenforceable as to a particular Receiver. "Unregulated Receivers" shall mean all Receivers that are not Regulated Receivers. Notwithstanding the foregoing, a Regulated Receiver having a Mast in excess of the size permitted under Federal Regulations or Other Laws for Regulated Receivers shall be treated as an Unregulated Receiver under this section.

c. No Unregulated Receivers shall be permitted outdoors on any Lot, whether attached to a building or structure or on any Lot, unless approved in writing by the Architectural Committee, with such screening and fencing as such Committee may require. Unregulated Receivers must be ground mounted and not Visible from Neighboring Property.

d. Regulated Receivers shall be subject to the following requirements:

i. If permitted by applicable Federal Regulations or Other Laws, no Regulated Receiver shall be permitted outdoors on any Lot, whether attached to a building or structure or on any Lot, unless approved in writing by the Architectural Committee, with such screening and fencing as such Committee may require. If such restriction is not so permitted, the provisions of subsections (ii) and (iii) below shall apply.

ii. A Regulated Receiver and any required Mast shall be placed so as not to be Visible from Neighboring Property if such placement will not (A) unreasonably delay or prevent installation, maintenance or use of the Regulated Receiver, (B) unreasonably increase the cost of installation, maintenance or use of the Regulated Receiver, or (C) preclude the reception of an acceptable quality signal.

iii. Regulated Receivers and any required Masts shall be placed on Lots only in accordance with the following descending order of locations, with Owners required to use the first available location that does not violate the requirements of parts (A) through (C) in subsection (ii) above:

1. A location in the back yard of the Lot where the Receiver will be screened from view by landscaping or other improvements;
2. An unscreened location in the backyard of the Lot;
3. On the roof, but completely below the highest point on the roof line;
4. A location in the side yard of the Lot where the Receiver and any pole or mast will be screened from view by landscaping or other improvements;

5. On the roof above the roofline;
6. An unscreened location in the side yard;
7. A location in the front yard of the Lot where the Receiver will be screened from view by landscaping or other improvements.

Notwithstanding the foregoing order of locations, if a location stated in the above list allows a Receiver to be placed so as not to be Visible from Neighboring Property, such location shall be used for the Receiver rather than any higher-listed location at which a Receiver will be Visible from Neighboring Property, provided that placement in such non-visible location will not violate the requirements of parts (A) through (C) in subsection (ii) above.

iii. Owners shall install and maintain landscaping or other improvements ("Screening") around Receivers and Masts to screen items that would otherwise be Visible from Neighboring Property unless such requirement would violate the requirements of parts (A) through (C) in subsection (ii) above. If an Owner is not required to install and maintain Screening due to an unreasonable delay in installation of the Receiver that such Screening would cause, the Owner shall install such screening within 30 (thirty) days following installation of the Receiver and shall thereafter maintain such Screening, unless such Screening installation or maintenance will violate the provisions of parts (A) through (C) in subsection (ii) above. If an Owner is not required to install Screening due to an unreasonable increase in the cost of installing the Receiver caused by the cost of such Screening, the Association shall have the right, at the option of the Association, to enter onto the Lot and install such Screening and, in such event, the Owner shall maintain the Screening following installation, unless such Screening installation or maintenance will violate the provisions of parts (A) through (C) in subsection (ii) above.

The provision of this section are severable from each other; the invalidity or unenforceability of any provision or portion of this section shall not invalidate or render unenforceable any other provisions or portion of this section, and all such other provision or portions shall remain valid and enforceable. The invalidity or unenforceability of any provisions or portion of this section to a particular type of Receiver or Mast or to a particular Receiver or Mast on a particular Lot shall not invalidate or render unenforceable such provisions or portion regarding other Receivers or Masts on other Lots.

Section 5.20. Utility Services. All lines, wires, or other devices for the communication or transmission of electric current or power, including telephone, television, and radio signals, shall be contained in conduits or cables installed and maintained underground or concealed in, under, or on buildings or other structures approved by the Architectural Committee. Temporary power or telephone structures incident to construction activities approved by the Architectural Committee are permitted.

Section 5.21. Diseases and Insects. No Owner or resident shall permit any thing or condition to exist upon a lot which shall induce, breed or harbor infectious plant diseases or noxious insects.

(D) Any Owner desiring approval of the Architectural Committee for the construction, installation, addition, alteration, repair, change or replacement of any Improvement which would alter the exterior appearance of the Improvement, shall submit to the Architectural Committee a written request for approval specifying in detail the nature and extent of the construction, installation, addition, alteration, repair, change or replacement of any Improvement which the Owner desires to perform. Any Owner requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans and specifications which the Architectural Committee may request. In the event that the Architectural Committee fails to approve or disapprove an application for approval within sixty (60) days after the application, together with all supporting information, plans and specifications requested by the Architectural Committee have been submitted to it, approval will not be required and this Section will be deemed to be complied with by the Owner who had requested approval of such plans.

(E) The approval by the Architectural Committee of any construction, installation, addition, alteration, repair, change or other work pursuant to this Section shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar construction, installation, addition, alteration, repair, change or other work subsequently submitted for approval.

(F) Upon receipt of approval from the Architectural Committee for any construction, installation, addition, alteration, repair, change or other work, the Owner who had requested such approval shall proceed to perform, construct or make the construction, installation, addition, alteration, repair, change or other work approved by the Architectural Committee as soon as practicable and shall diligently pursue such work so that it is completed as soon as reasonably practical and within such time as may be prescribed by the Architectural Committee.

(G) The approval of the Architectural Committee required by this Section shall be in addition to, and not in lieu of, any approvals, consents or permits required under the ordinances or rules and regulations of any county or municipality having jurisdiction over the Project.

20030984966

(H) The provisions of this Section shall not apply to, and approval of the Architectural Committee shall not be required for, the construction, erection, installation, addition, alteration, repair, change or replacement of any Improvements made by, or on behalf of, a Co-Declarant.

Section 5.25. Overhead Encroachments. No tree, shrub, or planting of any kind on any Lot shall be allowed to overhang or otherwise to encroach upon any sidewalk, street, pedestrian way or other area from ground level to a height of eight (8) feet without the prior written approval of the Architectural Committee.

Section 5.26. Drainage. No Residence, structure, building, landscaping, fence, wall or other Improvement shall be constructed, installed, placed or maintained in any manner that would obstruct, interfere with or change the direction or flow of water in accordance with the drainage plans for the Project, or any part thereof, or for any Lot as shown on the approved drainage plans on file with the municipality in which the Project is located. In addition, no Owner or other Person shall change the grade or elevation of a Lot in any manner that would obstruct, interfere with or change the direction or flow of water in accordance with the approved drainage plans.

Section 5.27. Basketball Goals and Backboards. No portable basketball goal or backboard shall be constructed, installed or maintained on any Lot. Permanent basketball goals or backboards may be kept on a Lot provided they are kept and used in accordance with the Association Rules which govern their size, design, color, material, location and hours of use. All permanent goals must be approved by the Architectural Committee prior to installation.

Section 5.28. Playground Equipment. No jungle gyms, swing sets or similar playground equipment which would be Visible From Neighboring Property shall be erected or installed on any Lot without the prior written approval of the Architectural Committee.

Section 5.29. Lights. Except as initially installed by the Co-Declarants, no spotlights, floodlights or other high intensity lighting shall be placed or utilized upon any Lot or any structure erected thereon which in any manner will allow light to be directed or reflected on any other property except as approved by the Architectural Committee.

Section 5.30. Air Base Proximity and Avigation Easement. The Project is located near Luke Air Force Base. Due to the proximity of the Property to Luke Air Force Base, the Property is likely to experience aircraft over-flights, which could generate noise, vibration, fumes, dust, fuel and lubricant particles, and other normal effects of operation of aircraft landing at, or taking off from, or operating at or on Luke Air Force Base that may affect the Property and that may be of concern to some individuals. There is hereby created a perpetual avigation easement over all of the Property for flights by military and civilian aircraft, which avigation easement shall run in favor of (a) the owner of Luke Air Force Base, (b) the United States Air Force, and (c) the City

of Surprise, which easement shall include the right to generate noise, vibration, fumes, dust, fuel and lubricant particles, and all other normal effects that may be caused by the operation of aircraft landing at, or taking off from, or operating from, at or on Luke Air Force Base.

Section 5.31. City and Air Force Release. Each Owner hereby does (a) release and discharge the United States Air Force, the City of Surprise, and Co-Declarants and (b) agree to indemnify, defend, and hold harmless the City of Surprise and the Co-Declarants of and from any liability for any and all claims for damages of any kind to persons or property located on the Lot(s) owned by such Owner that may arise at any time in the future over, or in connection with aircraft overflights from aircraft utilizing Luke Air Force Base (or any successor in interest using such real property), whether such damage shall originate from noise, vibration, fumes, dust, fuel and lubricant particles, and all other normal effects that may be caused by the operation of aircraft landing at, or taking off from, or operating from, at or on Luke Air Force Base. ARTICLE VI RESERVATION OF RIGHT TO RESUBDIVIDE AND REPLAT

Subject to the approval of any and all appropriate governmental agencies having jurisdiction, each Co-Declarant hereby reserves the right at any time, without the consent of other Owners, to resubdivide and replat any Unofficial Document which the Co-Declarant then owns and has not sold.

ARTICLE VII PARTY WALLS

Section 7.1. General Rules of Law to Apply. Each wall or fence, any part of which is placed on a dividing line between separate lots shall constitute a "Party Wall". Each adjoining Owner's obligation with respect to party walls shall be determined by these covenants and restrictions and, if not inconsistent, by Arizona law.

Section 7.2. Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a party wall facing his lot. Except as provided in this Article, the cost of reasonable repair shall be shared equally by adjoining lot Owners.

Section 7.3. Damage by One Owner. If a party wall is damaged or destroyed by the act of one adjoining Owner, or his guests, tenants, licensees, agents or family members (whether or not such act is negligent or otherwise culpable), then that Owner shall immediately rebuild or repair the party wall to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. Damage resulting from sprinkler overspray shall be considered caused by the Owner using the sprinklers.

20030984966

Section 7.4. Other Damage. If a party wall is damaged or destroyed by any cause other than the act of one of the adjoining Owners, his agents, tenants, licensees, guests or family members (including ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair the party wall to its prior condition, equally sharing the expense; provided, however, that if a party wall is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular lot, (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that lot, or his agents, tenants, licensees, guests or family members) then in such event, the Owner of that particular lot shall be solely responsible for the cost of rebuilding or repairing the party wall and shall immediately repair to the same condition as such party wall formerly was.

Section 7.5. Right of Entry. Each Owner shall permit the Owners of adjoining lots, or their representatives, to enter his lot for the purpose of installations, alteration, or repairs to a party wall on the Property of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining lot. An adjoining Owner making entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

Section 7.6. Right of Contribution. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Unofficial Document

Section 7.7. Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild the party wall, shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld or conditioned.

Section 7.8. Walls Adjacent to Streets or Common Area. A wall that is adjacent to streets or Common Area shall be treated as though the wall is a party wall with the street or common area constituting a Lot owned by the Association, except that any portion of such wall consisting of decorative metal-work that was originally on such wall (or any replacement thereof) shall be the sole responsibility of the Association (subject to an Owner's liability for repairs that would be such Owner's sole responsibility under sections 7.3 or 7.4). Notwithstanding the foregoing, (a) the provisions in sections 7.3 and 7.4 regarding an Owner's sole liability for repair of damage caused by such Owner's guests or licensees shall not apply to damage resulting from guests or licensees of the Association and such damage shall be considered caused by unrelated third parties and (b) the rule in section 7.4 regarding damage arising from events occurring on a particular Owner's Lot shall not apply to damage arising from events occurring on streets or Common Areas. Any and all conveyances made to the Association or any Owner shall be conclusively deemed to incorporate these reservations of rights and easements, whether or not set forth in such grants. The easements granted and reservations made to the Declarant in this Declaration shall not terminate or merge and shall continue to run with the land, notwithstanding the common law doctrine of merger and the common ownership of all the Property by the Co-Declarants. Upon written request of the Co-Declarants, the Association and each Owner shall from time to time sign, acknowledge and deliver to the Co-Declarants such further assurances of these reservations of rights and easements as may be requested.

Section 9.10. Duration of Development; Assignment. This paragraph shall not be subject to amendment without the written approval of all of the Co-Declarants.

in connection therewith. Any expenses incurred by the Association by reason of any such act of an Owner shall be paid by said Owner, upon demand, to the Association to the extent that the Owner is liable therefore under Arizona law, and such amounts shall be a lien on any Lots owned by said Owner and the Association may enforce collection of any such amounts in the same manner as provided elsewhere in this Declaration for the collection and enforcement of Assessments.

Section 10.4 Maintenance by Governmental Entities. No municipality or other governmental entity is responsible for or will accept maintenance for any private facilities, landscaped areas, or Common Areas within the Project.

Section 10.5 Landscaping Replacement. Landscaping originally planted on the Common Areas may exceed the landscaping that is ultimately planned for Common Areas due to over-planting in anticipation of normal plant losses. Neither Co-Declarants nor any other installer of landscaping in Common Areas shall be responsible for replacement of landscaping that dies more than ninety days following installation or that requires replacement due to vandalism, lack of proper watering or maintenance by Association, or damage due to negligence; the Association shall be solely responsible for such replacement (subject to potential recovery by the Association from any vandal or negligent person).

Section 10.6 Alteration of Maintenance Procedures. Following the termination of the Class B membership and so long as any Co-Declarant owns any lot, the Association shall not, without the written approval of all Co-Declarants, alter or fail to follow the maintenance and repair procedures recommended by the Association's management company as of the termination of the Class B membership unless such alteration will provide for a higher level of maintenance and repair. Each Co-Declarant shall have the right, but not the obligation, to perform any required maintenance or repair not performed by the Association within ten business days following notice from a Co-Declarant that such maintenance or repair is required under this section; if a Co-Declarant performs such maintenance or repair, the costs incurred by the Co-Declarant shall be reimbursed by the Association within thirty days following written demand for reimbursement accompanied by copies of invoices for such costs. Section 11.3. Fidelity Bonds.

(A) The Association shall maintain blanket fidelity bonds for all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds of or administered by the Association, including, but without limitation, officers, directors and employees of any management agent of the Association, whether or not they receive compensation for their services. Section 11.5. Insurance Obtained by Owners. Unofficial Document

Section 11.6. Payment of Insurance Proceeds. With respect to any loss to the Common Area covered by Property insurance obtained by the Association in accordance with this Article, the loss shall be adjusted with the Association and the insurance proceeds shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. Subject to the provisions of Section 11.7 of this Article, the proceeds shall be disbursed for the repair or restoration of the damage to Common Area.

Section 11.7. Repair and Replacement of Damaged or Destroyed Property. Any portion of the Common Area damaged or destroyed shall be repaired or replaced promptly by the Association unless (i) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (ii) Owners owning at least eighty percent (80%) of the Lots vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves shall be paid by the Association. If the entire Common Area is not repaired or replaced, insurance proceeds attributable to the damaged Common Area shall be used to restore the damaged area to a condition which is not in violation of any state or local health or safety statute or ordinance and the remainder of the proceeds shall be distributed to the Owners on the basis of an equal share for each Lot.

ARTICLE XII TERM AND ENFORCEMENT

20030984966

Section 12.1. Enforcement. Subject to the provisions of Section 12.4 and of Article XIII, the Association, the Architectural Committee or any Owner shall have the right (but not the obligation) to enforce these Covenants and Restrictions and any amendment thereto. Failure by the Association, the Committee or any Owner to enforce these Covenants and Restrictions shall in no event be deemed a waiver of the right to do so thereafter. Deeds of conveyance of the Property may contain these Covenants and Restrictions by reference to this Declaration, but whether or not such reference is made in such deeds, each and all such Covenants and Restrictions shall be valued and binding upon the respective grantees. Violators of any one or more of the Covenants and Restrictions may be restrained by any court of competent jurisdiction and damages awarded against such violators, provided, however, that a violation of these Covenants and Restrictions or any one or more of them shall not affect the lien of any first mortgage or first deed of trust. If the Architectural Committee enforces any provision of the Project documents, the cost of the enforcement shall be paid by the Association. In addition to any enforcement rights otherwise available to the Association, the Association shall have the right to enforce any provision of this Declaration by directly taking action necessary to cure or remove a breach of this Declaration, including without limitation, removal, repair or replacement of any improvement, sign or landscaping on any portion of the Property; in such event, the Association shall be entitled to recover the costs incurred by the Association in connection with such cure. Pursuant to such cure/removal right of the Association, the Association or its authorized agents may, upon reasonable written notice (or immediately, for willful and recurrent violations, when written notice has previously been given), enter any Lot in which a violation of these restrictions exists and may correct such violation at the expense of the Owner of such Lot; the Association and its agents are hereby granted an easement for such purpose. Such expenses, and such fines as may be imposed pursuant to Unofficial Document laration, the Bylaws, or Association Rules, shall be a Special Assessment secured by a lien upon such Lot enforceable in accordance with the provisions of this Declaration. All remedies available at law or equity shall be available in the event of any breach of any provision of this Section by any Owner, tenant or other person.

Section 12.2. Term. The Covenants and Restrictions in this Declaration shall run with and bind the land for a term of thirty (30) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years for so long as the lots shall continue to be used for residential purposes.

Section 12.3. Amendment. The Declaration may be amended at any time by (a) an instrument signed by the Owner(s) of at least two thirds of the Lots or (b) a certification by the President of the Association that the Owners of at least two thirds of the Lots have voted in favor of the amendment at a duly called election. Any such amendment shall be recorded with the Maricopa County Recorder and shall take effect immediately upon recordation regardless of the status of the then current term of the Declaration under section 12.2 above. A properly executed and recorded amendment may alter the restrictions in whole or in part applicable to all or any portion of the Property and need not be uniform in application to the Property. Any amendment made at a time when any Co-Declarant owns any Lot shall require the approval of Co-Declarants then owning seventy percent (70%) of the Lots owned by Co-Declarants.

Section 12.4. Approval of Litigation. Except for any legal proceedings initiated by the Association to (i) enforce the use restrictions contained in this Declaration; (ii) enforce the

Association Rules; (iii) enforce the Architectural Committee Rules; (iv) collect any unpaid Assessments levied pursuant to this Declaration, or (v) enforce a contract entered into by the Association with vendors providing services to the Association, the Association shall not incur litigation expenses, including without limitation, attorneys' fees and costs, where the Association initiates legal proceedings or is joined as a plaintiff in legal proceedings, without the prior approval of a majority of the Members of the Association entitled to vote, excluding the vote of any Owner who would be a defendant in such proceedings. The costs of any legal proceedings initiated by the Association, which are not included in the above exceptions, shall be financed by the Association only with monies that are collected for that purpose by special assessment and the Association shall not borrow money, use reserve funds, or use monies collected for other Association obligations. Each Owner shall notify prospective Purchasers of such legal proceedings initiated by the Board and not included in the above exceptions and must provide such prospective Purchasers with a copy of the notice received from the Association in accordance with Section 13.3 of this Declaration. Nothing in this Section shall preclude the Board from incurring expenses for legal advice in the normal course of operating the Association to (i) enforce the Project Documents; (ii) comply with the statutes or regulations related to the operation of the Association or the Areas of Association Responsibility; (iii) amend the Project Documents as provided in this Declaration; (iv) grant easements or convey Common Area as provided in this Declaration; or (v) perform the obligations of the Association as provided in this Declaration. Subject to the exceptions in the first sentence of this section, with respect to matters involving property or improvements to property, the Association (or Board of Directors) additionally shall not initiate legal proceedings or join as a plaintiff in legal proceedings unless (1) such property or improvement is owned either by the Association or jointly by all members of the Association, (2) the Association has ^{Unofficial Document} maintenance responsibility for such property or improvements pursuant to this Declaration, or (3) the Owner who owns such property or improvements consents in writing to the Association initiating or joining such legal proceeding.

Section 12.5. Annexation of Additional Property. Until the later of (a) seven years following recordation of this Declaration or (b) termination of the Class B Membership, the Co-Declarants (acting unanimously) and/or Levine (acting individually as to any real property owned by Levine) shall have the right to annex any real property that is adjacent to any real property that is then subject to this Declaration; property shall be deemed adjacent if contiguous at any point or if separated only by a street, alley, right-of-way or easement. Annexation shall be effective upon recordation by the requisite Co-Declarant(s) of a signed and acknowledged declaration of annexation with the County Recorder of Maricopa County, Arizona stating that such adjacent real property has been annexed to this Declaration; no consent or approval of such annexation by the Board of Directors or Members of the Association shall be necessary for an annexation. Upon annexation, the annexed real property shall have the same rights, privileges and obligations as property originally subject to the terms of this Declaration, including membership in the Association, except that such rights, privileges and obligations shall not include matters arising or accruing prior to annexation; annual assessments shall be prorated for annexed property through the date of annexation.

Section 12.6 De-Annexation of Property. Co-Declarants (acting unanimously) and/or Levine (acting individually as to any real property owned by Levine) shall have the right from time to time, in their sole discretion and without the consent of any person (other than consent of

the owner of the property being de-annexed), to delete from the Property and remove from the effect of this Declaration one or more portions of the Property, provided, however, that a portion of the Property may not be deleted from this Declaration unless at the time of such deletion and removal no dwelling units or material Common Area improvements have been constructed thereon (unless the de-annexation is for the purpose of accomplishing minor adjustments to the boundaries of Lots or the Property). No deletion of Property shall occur if such deletion would act to terminate access to any right-of-way or utility line unless reasonable alternative provisions are made for such access. No deletion of Property shall affect the Assessment Lien on the deleted Property for Assessments accruing prior to deletion. Any deletion of Property hereunder shall be made by Co-Declarants recording a notice thereof.

ARTICLE XIII
CLAIM AND DISPUTE RESOLUTION/LEGAL ACTIONS

It is intended that the Common Area, each Lot, and all Improvements constructed on the Property by persons ("Developers") in the business of constructing improvements will be constructed in compliance with all applicable building codes and ordinances and that all Improvements will be of a quality that is consistent with the good construction and development practices in the area where the Project is located for production housing similar to that constructed within the Project. Nevertheless, due to the complex nature of construction and the subjectivity involved in evaluation such quality, disputes may arise as to whether a defect exists and the responsibility therefor. It is intended that all disputes and claims regarding alleged defects ("Alleged Defects") in any Improvements on any Lot or Common Area will be resolved amicably, without the necessity of time-consuming and costly litigation. Accordingly, all Developers (including Co-Declarants), the Association, the Board, and all Owners shall be bound by the following claim resolution procedures.

13.1. Right to Cure Alleged Defect. If a person or entity ("Claimant") claims, contends, or alleges an Alleged Defect, each Developer shall have the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

13.1.1. Notice of Alleged Defect. If a Claimant discovers an Alleged Defect, within fifteen (15) days after discovery thereof, Claimant shall give written notice of the Alleged Defect ("Notice of Alleged Defect") to the Developer constructing the Improvement with respect to which the Alleged Defect relates.

13.1.2. Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time after the receipt by a Developer of a Notice of Alleged Defect, or the independent discovery of any Alleged Defect by a Developer, Developer shall have the right, upon reasonable notice to Claimant and during normal business hours, to enter onto or into the Common Area, Areas of Association Responsibility, any Lot or Residence, and/or any Improvements for the purposes of inspecting and/or conducting testing and, if deemed necessary by Developer at its sole discretion, repairing and/or replacing such Alleged Defect. In conducting such inspection, testing, repairs and/or replacement, Developer shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

005466000

13.2. No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Article shall be construed to impose any obligation on a Developer to inspect, test, repair, or replace any item or Alleged Defect for which such Developer is not otherwise obligated under applicable law or any warranty provided by such Developer in connection with the sale of the Lots and Residences and/or the Improvements constructed thereon. The right reserved to Developer to enter, inspect, test, repair and/or replace an Alleged Defect shall be irrevocable and may not be waived or otherwise terminated with regard to a Developer except by a written document executed by such Developer and Recorded.

13.3. Legal Actions. All legal actions initiated by a Claimant shall be brought in accordance with a subject to Section 13.4 and Section 12.4 of this Declaration. If a Claimant initiates any legal action, cause of action, regulatory action, proceeding, reference, mediation, or arbitration against a Developer alleging (1) damages for costs of repairing Alleged Defect ("Alleged Defect Costs"), (2) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (3) for any consequential damages resulting from such Alleged Defect, any judgment or award in connection therewith shall first be used to correct and or repair such Alleged Defect or to reimburse the Claimant for any costs actually incurred by such Claimant in correcting and/or repairing the Alleged Defect. If the Association as a Claimant recovers any funds from a Developer (or any other Person) to repair an Alleged Defect, any excess funds remaining after repair of such Alleged Defect shall be paid in to the Association's reserve fund. If the Association is a Claimant, the Association must provide a written notice to all Members prior to initiation of any legal action, regulatory action, cause of action, proceeding, reference, mediation or arbitration against a Developer(s) which notice shall include at a minimum (1) a description of the Alleged Defect; (2) a description of the attempts of the Developer(s) to correct such Alleged Defect and the opportunities provided to the Developer(s) to correct such Alleged Defect; (3) a certification from an architect or engineer licensed in the State of Arizona that such Alleged Defect exists along with a description of the scope of work necessary to cure such Alleged Defect and a resume of such architect or engineer; (4) the estimated Alleged Defect Costs; (5) the name and professional background of the attorney retained by the Association to pursue the claim against the Developer(s) and a description of the relationship between such attorney and member(s) of the Board or the Association's management company (if any); (6) a description of the fee arrangement between such attorney and the Association; (7) the estimated attorneys' fees and expert fees and costs necessary to pursue the claim against the Developer(s) and the source of the funds which will be used to pay such fees and expenses; (8) the estimated time necessary to conclude the action against the Developer(s); and (9) an affirmative statement from a majority of the members of the Board that the action is in the best interests of the Association and its Members.

13.4. Alternative Dispute Resolution. Any dispute or claim between or among (a) a Developer (or its brokers, agents, consultants, contractors, subcontractors, or employees) on the one hand, and any Owner(s) or the Association on the other hand; or (b) any Owner and another Owner; or (c) the Association and any Owner regarding any controversy or claim between the parties, including any claim based on contract, tort, or statute, arising out of or relating to (i) the rights or duties of the parties under this Declaration; (ii) the design or construction of any portion of the Project, (iii) or an Alleged Defect, but excluding disputes relating to the payment of any type of Assessment (collectively a "Dispute"), shall be subject first to negotiation, then

20030984966

mediation, and then arbitration as set forth in this Section 13.4 prior to any party to the Dispute instituting litigation with regard to the Dispute.

13.4.1. Negotiation. Each party to a Dispute shall make every reasonable effort to meet in person and confer for the purpose of resolving a Dispute by good faith negotiation. Upon receipt of a written request from any party to the Dispute, the Board may appoint a representative to assist the parties in resolving the dispute by negotiation, if in its discretion the Board believes its efforts will be beneficial to the parties and to the welfare of the community. Each party to the Dispute shall bear their own attorneys' fees and costs in connection with such negotiation.

13.4.2. Mediation. If the parties cannot resolve their Dispute pursuant to the procedures described in Subsection 13.4.1 above within such time period as may be agreed upon by such parties (the "Termination of Negotiations"), the party instituting the Dispute (the "Disputing Party") shall have thirty (30) days after the termination of negotiations within which to submit the Dispute to mediation pursuant to the mediation procedures adopted by the American Arbitration Association or any successor thereto or to any other independent entity providing similar services upon which the parties to the Dispute may mutually agree. No person shall serve as a mediator in any Dispute in which such person has a financial or personal interest in the result of the mediation, except by the written consent of all parties to the Dispute. Prior to accepting any appointment, the prospective mediator shall disclose any circumstances likely to create a presumption of bias or to prevent a prompt commencement of the mediation process. If the Disputing Party does not submit the Dispute to mediation within thirty days after Termination of Negotiations, the Disputing Party shall be deemed to have waived any claims related to the Dispute and all other parties to the Dispute shall be released and discharged from any and all liability to the Disputing Party on account of such Dispute; provided, nothing herein shall release or discharge such party or parties from any liability to Persons not a party to the foregoing proceedings.

13.4.2.1. Position Memoranda; Pre-Mediation Conference. Within ten (10) days of the selection of the mediator, each party to the Dispute shall submit a brief memorandum setting forth its position with regard to the issues to be resolved. The mediator shall have the right to schedule a pre-mediation conference and all parties to the Dispute shall attend unless otherwise agreed. The mediation shall commence within ten (10) days following submittal of the memoranda to the mediator and shall conclude within fifteen (15) days from the commencement of the mediation unless the parties to the Dispute mutually agree to extend the mediation period. The mediation shall be held in Maricopa County, Arizona or such other place as is mutually acceptable by the parties to the Dispute.

13.4.2.2. Conduct of Mediation. The mediator has discretion to conduct the mediation in the manner in which the mediator believes is most appropriate for reaching a settlement of the Dispute. The mediator is authorized to conduct joint and separate meetings with the parties to the Dispute and to make oral and written recommendations for settlement. Whenever necessary, the mediator may also obtain expert advice concerning technical aspects of the dispute, provided the parties to the Dispute agree to obtain and assume the expenses of

00000000

obtaining such advice as provided in Subsection 13.4.2.5 below. The mediator does not have the authority to impose a settlement on any party to the Dispute.

13.4.2.3. Exclusion Agreement. Any admissions, offers of compromise or settlement negotiations or communications at the mediation shall be excluded in any subsequent dispute resolution forum.

13.4.2.4. Parties Permitted at Sessions. Persons other than the parties to the Dispute may attend mediation sessions only with the permission of all parties to the Dispute and the consent of the mediator. Confidential information disclosed to a mediator by the parties to the Dispute or by witnesses in the course of the mediation shall be kept confidential. There shall be no stenographic record of the mediation process.

13.4.2.5. Expenses of Mediation. The expenses of witnesses for either side shall be paid by the party producing such witnesses. All other expenses of the mediation, including, but not limited to, the fees and costs charged by the mediator and the expenses of any witnesses or the cost of any proof of expert advice produced at the direct request of the mediator, shall be borne equally by the parties to the Dispute unless agreed to otherwise. Each party to the Dispute shall bear their own attorneys' fees and costs in connection with such mediation.

13.4.3. Final and Binding Arbitration. If the parties cannot resolve their Dispute pursuant to the procedures described in Subsection 13.4.2 above, the Disputing Party shall have thirty (30) days following termination of mediation proceedings (as determined by the mediator) to submit the Dispute to final and binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association, as modified or as otherwise provided in this Section 13.4. If the Disputing Party does not submit the Dispute to arbitration within thirty days after termination of mediation proceedings, the Disputing Party shall be deemed to have waived any claims related to the Dispute and all other parties to the Dispute shall be released and discharged from any and all liability to the Disputing Party on account of such Dispute; provided, nothing herein shall release or discharge such party or parties from any liability to Persons not a party to the foregoing proceedings.

The existing parties to the Dispute shall cooperate in good faith to ensure that all necessary and appropriate parties are included in the arbitration proceeding. No Developer shall be required to participate in the arbitration proceeding if all parties against whom a Developer would have necessary or permissive cross-claims or counterclaims are not or cannot be joined in the arbitration proceedings. Subject to the limitations imposed in this Section 13.4, the arbitrator shall have the authority to try all issues, whether of fact or law.

13.4.3.1. Place. The arbitration proceedings shall be heard in Maricopa County, Arizona, or such other place as is mutually acceptable by the parties to the Dispute.

13.4.3.2. Arbitration. A single arbitrator shall be selected in accordance with the rules of the American Arbitration Association from panels maintained by the American Arbitration Association with experience in relevant matters, which are the subject of the Dispute. The arbitrator shall not have any relationship to the parties or interest in the

0044660002

Project. The parties to the Dispute shall meet to select the arbitrator within ten (10) days after service of the initial complaint on all defendants named therein.

13.4.3.3. Commencement and Timing of Proceeding. The arbitrator shall promptly commence the arbitration proceeding at the earliest convenient date in light of all of the facts and circumstances and shall conduct the proceeding without undue delay.

13.4.3.4. Pre-hearing Conferences. The arbitrator may require one or more pre-hearing conferences.

13.4.3.5. Discovery. The parties to the Dispute shall be entitled to limited discovery only, consisting of the exchange between the parties of the following matters: (i) witness lists; (ii) expert witness designations; (iii) expert witness reports; (iv) exhibits; (v) reports of testing or inspections of the property subject to the Dispute, including but not limited to, destructive or invasive testing; and (vi) trial briefs. The Developer shall also be entitled to conduct further tests and inspections as provided in Section 13.1 above. Any other discovery shall be permitted by the arbitrator upon a showing of good cause or based on the mutual agreement of the parties to the Dispute. The arbitrator shall oversee discovery and may enforce all discovery orders in the same manner as any trial court judge.

13.4.3.6. Limitation on Remedies/Prohibition on the Award of Punitive Damages. Notwithstanding contrary provisions of the Commercial Arbitration Rules, the arbitrator in any proceeding shall not have the power to award punitive or consequential damages; however, the arbitrator shall have the power to grant all other legal and equitable remedies and award compensatory damages. ^{Unofficial Document} The arbitrator's award may be enforced as provided for in the Uniform Arbitration Act, A.R.S. § 12-1501, et seq., or such similar law governing enforcement of awards in a trial court as is applicable in the jurisdiction in which the arbitration is held.

13.4.3.7. Motions. The arbitrator shall have the power to hear and dispose of motions, including motions to dismiss, motions for judgment on the pleadings, and summary judgment motions, in the same manner as a trial court judge, except the arbitrator shall also have the power to adjudicate summary issues of fact or law including the availability of remedies, whether or not the issue adjudicated could dispose of an entire cause of action or defense.

13.4.3.8. Expenses of Arbitration. Each party to the Dispute shall bear all of its own costs incurred prior to and during the arbitration proceedings, including the fees and costs of its attorneys or other representatives, discovery costs, and expenses of witnesses produced by such party. Each party to the Dispute shall share equally all charged rendered by the arbitrator unless otherwise agreed to by the parties.

13.5. Statutes of Limitations. Nothing in this Article shall be considered to toll, stay, or extend any applicable statute of limitations.

13.6. Enforcement of Resolution. If the parties to a Dispute resolve such Dispute through negotiation or mediation in accordance with Subsection 13.4.1 or Subsection 13.4.2

20030984966

above, and any party thereafter fails to abide by the terms of such negotiation or mediation, or if an arbitration award is made in accordance with Subsection 13.4.3 and any party to the Dispute thereafter fails to comply with such resolution or award, then the other party to the Dispute may file suit or initiate administrative proceedings to enforce the terms of such negotiation, mediation, or award without the need to again comply with the procedures set forth in this Article. In such event, the party taking action to enforce the terms of the negotiation, mediation, or the award shall be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties pro rata), all costs incurred to enforce the terms of the negotiation, mediation or award including, without limitation, attorneys fees and court costs.

13.7. Confidentiality. All papers, documents, briefs, written communication, testimony and transcripts as well as any and all arbitration decisions shall be confidential and not disclosed to anyone other than the Arbitrator, the parties or the parties' attorneys and expert witnesses (where applicable to their testimony), except that upon prior written consent of all parties, such information may be divulged to additional third parties. All third parties shall agree in writing to keep such information confidential.

ARTICLE XIV SPECIAL BUILDER PROVISIONS

14.1 Construction and Installation of a Common Wall.

14.1.1 Right to Construct. Each Builder hereby agrees and acknowledges that certain portions of each Builder's Lots may share a common wall with the Lots of another Builder (a "Common Wall"). Any Builder (the "Constructing Builder") that first commences construction on a portion of the Builder's Lots requiring the construction and installation of a Common Wall (commencement of construction being the commencement of grading) shall be responsible for causing the construction and installation of the Common Wall. The Constructing Builder shall cooperate and coordinate with any adjacent property owner(s) (the "Non-Constructing Builder") in order to avoid any interference with any of the Non-Constructing Builder's construction and installation of improvements upon its Lots. The Constructing Builder shall complete the construction and installation of any Common Wall in a timely manner. If the Constructing Builder fails to timely construct and install the Common Wall in accordance with the terms of this Section 14.1.1, including, but not limited to, receipt of the lien waivers required by Section 14.1.3 below, then the Non-Constructing Builder shall have the right to complete such construction and pay any outstanding costs to release any liens. The Non-Constructing Builder hereby grants to the Constructing Builder a temporary nonexclusive easement over, across, in, under and through those portions of the Non-Constructing Builder's Lots that are not planned or utilized for the construction of buildings, structures, or other improvements for the purpose of constructing the Common Wall. The easement may not be exercised or used in any fashion that would unreasonably interfere with or impact the Non-Constructing Builder's development of its Lots. The easement with respect to any Lot shall automatically expire upon the sale of such Lot, together with a residence thereon, to a third party buyer.

14.1.2 Payments. The cost of any Common Wall shall be divided equally between the Builder(s) sharing the Common Wall. Subject to receipt of the lien releases

described in Section 14.1.3 below, within ten (10) days after the Constructing Builder submits an invoice to the Non-Constructing Builder in connection with the cost of the construction and installation of a Common Wall (the "Wall Payment Due Date"), the Non-Constructing Builder shall pay to the Constructing Builder, in cash, by cashier's check or by wire transfer of immediately available funds, the Non-Constructing Builder's share of the cost.

14.1.3 Lien Waivers. The Constructing Builder shall not permit any contractors, subcontractors or material suppliers to file any liens or claims including, but not limited to, stop notices, bonded stop notices, mechanics', materialmen's, professional service, contractors' or subcontractors' liens or claim for damage arising from the services performed by the Constructing Builder and its agents, employees, contractors and subcontractors, against any other Builder's Lots. It shall be a condition precedent to the Constructing Builder receiving payment that all mechanics and materialmen deliver statutory unconditional lien releases for the work constructed to date.

14.1.4 Non-Payment. If a Non-Constructing Builder fails to pay the amounts incurred by the Constructing Builder for the construction and installation of the Common Wall on the Non-Constructing Builder's Lots on or before the Wall Payment Due Date, the amounts unpaid shall bear interest at the rate of eighteen percent (18%) per annum until paid in full, and shall be secured by a lien against the Lots of the Non-Constructing Builder, which lien may be foreclosed in the manner provided for in Arizona law for the foreclosure of realty mortgages.

14.2 Construction and Installation of Diversion/Detention Improvements.

14.2.1 Right to Construct. ^{Unofficial Document} Each Builder hereby agrees and acknowledges that each Builder must construct on its Lots certain storm water diversion and/or detention improvements consistent with the master grading and drainage plans for the Property as approved by the City of Surprise (the "Storm Water Improvements"). The construction by a Builder of such Storm Water Improvements on its Lots may be a condition precedent to the commencement of construction by another Builder of improvements on its Lots, if such other Builder is located down gradient. As such, any Builder (the "Constructing Builder") that first commences construction on a portion of a Lot requiring the construction and installation of Storm Water Improvements on the Lot of another Builder (the "Non-Constructing Builder") located up gradient from the Individual Parcel owned by such Constructing Builder, shall cooperate and coordinate with the Non-Constructing Builder with respect to the construction of such Storm Water Improvements. If the Non-Constructing Builder does not intend to construct the Storm Water Improvements on its Lots within a time frame that will accommodate the construction schedule of the Constructing Owner, the Constructing Owner shall have the right, subject to the further provisions of this Section 14.2.1, to construct temporary drainage and diversion improvements (the "Temporary Improvements") upon the Lots of the Non-Constructing Owner. Prior to commencing construction of the Temporary Improvements, the Constructing Owner shall prepare and submit to the Non-Constructing Builder proposed plans and specifications for the Temporary Improvements, as well as a cost estimate. The Constructing Owner may not commence construction of the Temporary Improvements until such plans and specifications and cost estimate have been approved by Non-Constructing Builder, which approval shall not be unreasonably withheld, conditioned or delayed. The Constructing

Builder shall complete the construction and installation of the Temporary Improvements in a good, workmanlike and lien free manner, in accordance with the codes and ordinances of governmental authorities having jurisdiction and in accordance with the plans for the Temporary Improvements approved by Non-Constructing Builder. The Non-Constructing Builder hereby grants to the Constructing Builder a temporary nonexclusive easement over, across, in, under and through those portions of the Non-Constructing Builder's Lots that are not planned or utilized for the construction of buildings, structures, or other improvements for the purpose of constructing the Temporary Improvements. The easement may not be exercised or used in any fashion that would unreasonably interfere with or impact the Non-Constructing Builder's development of its Lots. The easement with respect to any Lot shall automatically expire upon the sale of such Lot, together with a residence thereon, to a third party buyer.

14.2.2 Payment. The cost of any Temporary Improvements shall be paid solely by the Non-Constructing Builder. Subject to receipt of the lien releases described in Section 14.2.3 below, within ten (10) days after the Constructing Builder submits an invoice to the Non-Constructing Builder setting forth the cost of construction and installation of the Storm Water Improvements on the Non-Constructing Builder's Lots (the "Temporary Improvements Payment Due Date"), the Non-Constructing Builder shall pay to the Constructing Builder, in cash, by cashier's check or by wire transfer of immediately available funds, the amounts expended by the Constructing Builder in constructing the Storm Water Improvements on the Non-Constructing Builder's Lots, not to exceed, however, the cost estimate approved by Non-Constructing Builder.

14.2.3 Lien Waivers. The Constructing Builder shall not permit lien claimants to file against the Lots of the Non-Constructing Builder any liens or claims including, but not limited to, stop notices, bonded stop notices, Unofficial Document mechanics', materialmen's, professional service, contractors or subcontractors liens or claims for damage arising from the services performed by the Constructing Builder and its agents, employees, contractors and subcontractors. It shall be a condition precedent to the Constructing Builder receiving payment that all mechanics and materialmen deliver statutory unconditional lien releases for work constructed to date.

14.2.4 Non-Payment. If a Non-Constructing Builder fails to pay the amounts incurred by the Constructing Builder for the construction and installation of the Temporary Improvements on the Non-Constructing Builder's Lots on or before the Temporary Improvements Payment Due Date, the amounts unpaid shall bear interest at the rate of eighteen percent (18%) per annum until paid in full, and shall be secured by a lien against the Lots of the Non-Constructing Builder, which lien may be foreclosed in the manner provided for in Arizona law for the foreclosure of realty mortgages.

ARTICLE XV GENERAL PROVISIONS

Section 15.1. Severability. Judicial invalidation of any part of this Declaration shall not affect the validity of any other provisions.

Section 15.2. Construction. The Article and Section headings have been inserted for convenience only and shall not be considered in resolving questions of interpretation or

construction. All terms and words used in this Declaration regardless of the number and gender in which they are used shall be deemed and construed to include any other number, and any other gender, as the context or sense requires. In the event of any conflict or inconsistency between this Declaration, the Articles, and/or the Bylaws, the provisions of this Declaration shall control over the provision of the Articles and the Bylaws and the provisions of the Articles shall prevail over the provisions of the Bylaws.

Section 15.3. Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail, postage prepaid; if to an Owner, addressed to that Owner at the address of the Owner's lot or if to the Architectural Committee, addressed to that Committee at the normal business address. If notice is sent by mail, it shall be deemed to have been delivered twenty-four (24) hours after a copy of the same has been deposited in the United States mail, postage pre-paid. If personally delivered, notice shall be effective on receipt. Notwithstanding the foregoing, if application for approval, plans, specifications and any other communication or documents shall not be deemed to have been submitted to the Architectural Committee, unless actually received by said Committee. Any vote, election, consent or approval of any nature by the Owners or the Board of Directors, whether hereunder or for any other purpose, may, in the discretion of the Board of Directors and in lieu of a meeting of members, be held by a mail-in ballot process pursuant to such reasonable rules as the Board may specify.

Section 15.4. VA/HUD Approvals. If the Project or this Declaration has been initially approved by the Veterans Administration ("VA") or the United States Department of Housing and Urban Development ("HUD"), then so long as there is a Class B membership in the Association, the following actions will require ^{Unofficial Document} or approval of the VA or HUD: dedication of Common Area and amendment of the Declaration. HUD or VA approval of an action requiring such approval shall be deemed given if (a) application for approval is made in writing together with written certification complying with HUD/VA guidelines stating that the Property, including the Declaration and other Association documents, will continue to comply with applicable HUD/VA requirements and (b) HUD and/or VA does not remove the Property from its list of approved projects or otherwise object to the application within thirty days following such application.

Section 15.5. Condemnation of Common Area. If all or any part of the Common Area is taken or condemned, or conveyed by the Association in lieu of or under threat of such condemnation by or to any authority having the power of condemnation or eminent domain, the award or other compensation paid as a result of such taking or conveyance shall be paid to the Association. Any conveyance by the Association of all or any part of the Common Area must be approved in accordance with the provisions of Section 6.9. If the taking involves a portion of the Common Area upon which improvements have been constructed, then the Association shall construct replacement improvements on the remaining Common Area to the extent land is available for such construction, unless within sixty (60) days after such taking the Owners holding at least eighty percent (80%) of the votes in the Association instruct the Board not to build replacement improvements.

If such replacement improvements are to be constructed, then the Association shall be entitled to use the award or other compensation made for such taking solely for the purpose of

20030984966

such construction. If the taking does not involve any improvements on the Common Area or if the Owners holding more than eighty percent (80%) of the votes in the Association decide not to construct any replacement improvements or if there are any net funds remaining after such construction is completed, then such awarded net funds shall be retained by the Association and used for such purposes as may be determined by the Board.

Section 15.6 Interpretation. Except for judicial construction, the Association shall have the exclusive right to construe and interpret the provisions of this Declaration. In the absence of any adjudication to the contrary by a court of competent jurisdiction, the Association's construction or interpretation of the provisions hereof shall be final, conclusive and binding as to all persons and property benefited or bound by this Declaration. In the event of any conflict between this Declaration and the other Project Documents, this Declaration shall control. In the event of any conflict between the Articles and the Bylaws, the Articles shall control. In the event of any conflict between the Bylaws and the Association Rules or the Design Guidelines, the Bylaws shall control.

Section 15.7. References to this Declaration in Deeds. Deeds to and instruments affecting any Lot or any other part of the Project may contain the covenants, conditions and restrictions herein set forth by reference to this Declaration; but regardless of whether any such reference is made in any Deed or instrument, each and all of the provisions of this Declaration shall be binding upon the grantee-Owner or other person claiming through any instrument and his heirs, executors, administrators, successors and assignees.
