POSITIONING

- Scarce infill parcel with A-2 Heavy Industrial zoning.
- Central access to the Valley's principal freeway network.
- Potential industrial, contractor, fleet and transportation uses.
- ALTA survey and prior City-reviewed CDL site plan available.
- Offered at approximately \$22.16 per square foot.

WHY THIS SITE STANDS OUT

- A-2 Heavy Industrial zoning supports a broad range of potential industrial and commercial operations, subject to City approval.
- Nearly one acre of flat infill land provides flexibility for an operational yard or future development.
- Established industrial surroundings include logistics, service, automotive, construction and manufacturing users.
- Regional connectivity is supported by access to I-10, I-17 and Loop 202.
- Sky Harbor and Downtown Phoenix are nearby, supporting access to employment, customers and regional transportation.
- Existing due diligence includes an ALTA survey, utility map, plat, aerials and a prior City-reviewed site plan.
- No seller carry. Buyers should structure acquisition financing independently.

POTENTIAL CDL / DRIVER TRAINING USE

CENTRAL ACCESS WITH INDUSTRIAL CONTEXT

Positioned along 16th Street in the established South Phoenix industrial corridor, the property benefits from a central location near the region's transportation and employment infrastructure.

Interstate 10, Interstate 17 and Loop 202 provide access throughout the Phoenix metropolitan area and connect the site to major industrial, distribution and population centers. Phoenix Sky Harbor International Airport, Downtown Phoenix and the airport-area employment corridor are also nearby.

The surrounding area includes manufacturing, warehousing, logistics, automotive, construction, contractor and transportation-related businesses. This industrial environment supports users requiring central access, outdoor operational space, fleet or equipment storage and proximity to customers and employees.

WHY IT MATTERS

- Large regional labor pool
- Access to central Phoenix employment
- Proximity to airport-area industries
- Established service and logistics base
- Continued population growth within five miles

INDUSTRIAL LOCATION, NOT A RETAIL DEMOGRAPHIC STORY

For industrial users, the primary location drivers are freeway access, airport proximity, workforce reach, established industrial surroundings and operational flexibility. Demographics are provided as supplemental market context.

Source: Esri demographic data contained in the prior marketing package. Buyer to verify current data.

TRANSPORTATION

I-10, I-17 and Loop 202 connect the site to the Valley and regional markets.

AIRPORT

Phoenix Sky Harbor supports passenger, cargo, service and logistics activity.

EMPLOYMENT

Central Phoenix and the airport corridor provide access to a large labor base.

INFILL

Centrally located heavy-industrial land is limited and difficult to replace.

PHOENIX: A CONNECTED SOUTHWEST INDUSTRIAL MARKET

Regional freeway connectivity, Sky Harbor access and a broad employment base support industrial, logistics, construction, service and transportation-related operations.

5020 S 16TH STREET IS POSITIONED INSIDE THIS CORE EMPLOYMENT AND DISTRIBUTION NETWORK.
